December 21<sup>st</sup> 2018

Dear Brian/Joe;

It is Ontario Soccer's understanding based on information received from your membership, that the Eastern Ontario District Soccer Association (EODSA) intends to re-establish control of an existing District Competitive league currently controlled by ERSL.

This is within your District rights; however, we point out to you that Section 9 (Leagues) of our Operational Procedures, Procedure 8.4 states the following:

**"A District Association which currently participates in a District Competitive League (governed by Ontario Soccer) and intends to form its own: a) District Competitive League (governed by the District Association); or b) to become part of another District Competitive League (governed by Ontario Soccer) must notify Ontario Soccer by November 1 (for an outdoor league)"**

As the EODSA has not provided the appropriate and relevant documentation prior to November 1<sup>st</sup>, 2018 for 2019 Outdoor league play, the league will remain under its current jurisdiction.

Should you have any questions, please contact me.

Sincerely;

Matthew Braithwaite,  
Manager, Administration  
Ontario Soccer
